\ Who you will help

Located on Tabenkin street in Be'er Sheva, the Round Table Youth Club serves as a vital hub for youth activity and empowerment for the community in a difficult socio-economic situation. As the community is mostly made of new immigrants from Ethiopia, the Youth Club provides an enriched cultural, and experiential center for the youth, through various leadership programs as well as social and community projects. The club has a large garden area that is used daily for activities such as sports tournaments, meetings, special activities, and more.

\ Your donation will fund

The club has a large garden area that serves children and youth on a daily basis, providing them with a wide range of activities, sports tournaments, meetings, special activities and more. These outdoor facilities need to be upgraded by renovating the garden and using part of this area to create a soccer field and basketball court for these children as well as seating and shaded areas.

\ Location

Be'er Sheva, the largest city in the Negev desert of southern Israel.
